“Dare to Dream” Program Launched

Waterbury, CT...“Dare to Dream,” an afterschool program at the Mattatuck Museum Arts and History Center, began this week with 60 9 - 12 graders building their skills in the performing arts, dance, voice and theater and improving their proficiency in math and English. The program is made possible by a \$1,000,000 21st Century Learning Center federal grant awarded to the Waterbury Public Schools and managed by Phyllis Connors, Ph.D. It is designed to support student development into self-reliant adults and build a bridge to the next step in their lives, higher education. “Dare to Dream” ranks continue to grow as enthusiastic participants encourage their friends to submit applications. For more information call Ms. Marie Galbraith at 203-753-0381 ext 17.
